A digital illustration of a man with short dark hair, wearing a dark suit jacket over a light-colored button-down shirt. He has a slight, contemplative expression. The background is a soft-focus scene of pink cherry blossoms against a light blue sky. A diagonal branch with blossoms crosses the lower right portion of the frame.

I WONDER...

IF IT WOULDN'T HAVE BEEN
TOO HARD FOR US
IF I DIDN'T SAY THAT BACK THEN

AFTER CUTTING IT,
I FEEL LIKE THOSE

I FEEL SO

A close-up illustration of a person's hand resting on a light blue fabric, possibly a bedsheet. To the left, a portion of a blanket with a white and blue diamond pattern is visible. A speech bubble originates from the top of the frame, and another is at the bottom right. The background is a soft, out-of-focus green.

DO
YOU KNOW HOW
CHEMOTHERAPY
WORKS?

SSH

I DON'T
KNOW...

I THOUGHT IT WOULD BE
SOMETHING CRAZY, BUT IT'S
JUST THEM PUTTING MEDICINE
THROUGH HERE.

I THINK
THE MEDICINE GOES IN

A manga-style illustration of a man with dark hair and a determined, shouting expression. He is wearing a black short-sleeved shirt over a white collared shirt. He is leaning forward, with his right hand clenched into a fist. To his left, a woman with blonde hair is partially visible, wearing a grey patterned top. The background is a simple light blue and green gradient. There are three speech bubbles: one from the man at the top, one from the woman in the middle, and a large one at the bottom. A small, stylized signature or logo is in the top right corner.

WHY DID I HAVE

A man with dark hair, wearing a red long-sleeved shirt with a white collar, is leaning over a woman. The woman has blonde hair and is wearing a pink dress. She is holding a large, white, textured object that looks like a giant marshmallow or a piece of candy. They are both looking at each other with expressions of concern or sadness.

A person wearing a white dress shirt and a red necktie is shown from the chest up, looking down at a white document they are holding. The background is dark and out of focus.
